Re: Request to Amend Superior Court Local Rules – Mohave County

Dear Chief Justice Brutinel:

Pursuant to Rule 28.1 of the Rules of the Supreme Court, I request your approval to amend the Local Rules of the Superior Court – Mohave County. The court recently undertook a thorough review of all the rules and have made updates and changes to account for changes in technology as well as to ensure compliance with the rules of court. Accordingly, the Court seeks to amend its Local Rules.

The Superior Court bench approved the proposed rules, and the rules were posted on the Mohave County Superior Court website for comment from December 13, 2023 through January 19, 2024. One or more of the comments resulted in the bench adopting the suggested change(s).

Accordingly, the Court seeks to amend the rules currently in effect.

Respectively,

Steven C. Moss  
Presiding Judge
