**PETITIONER'S RESPONSE AND  
WITHDRAWAL OF PETITION**

16  
17 The Officers and Board of Directors of the Arizona Process Servers Association  
18 (APSA), having reviewed the rebuttal comments submitted by the State Bar of  
19 Arizona, Arizona Commission on Access to Justice, and Committee on Family Court,  
20 and in consideration of internal polling showing other than a unanimous declaration of  
21 support, APSA hereby withdraws the instant petition.

22 In making this withdrawal, it should be noted that in current practice (as well as  
23 the intention should the proposed rule changes have been approved), process servers  
24 do not ask for identification from a party being served, whether a minor or adult,  
25 barring extraordinary circumstances.

26 In consideration of opposition, APSA withdraws the instant Petition.
