Elliot Glicksman  
Attorney for Plaintiff  
Pima County No: 20896  
State Bar Number: 006010

**IN THE SUPREME COURT OF THE STATE OF ARIZONA**

PETITION IN SUPPORT OF ) Supreme Court No. R-06-0017  
REVISION OF THE RULES FOR )  
ADMISSION TO THE BAR OF ARIZONA )

The undersigned attorney strongly supports the proposed revision to R-06-0017. The proposal to allow out of state attorneys to practice in Arizona without taking a formal bar exam will improve the quality of attorneys in Arizona. It will assist attorneys within the State of Arizona that wish to practice elsewhere.

At the present time, I am often involved in litigation with lawyers that are not admitted to the Arizona State Bar. In those cases, each attorney goes through a lengthy Pro Hac Vice application because they do not want to sit for a bar exam after years, and sometimes decades, in practice. By allowing attorneys in good standing to be admitted to the bar without a formal, lengthy bar exams, practitioners who frequently come to our state will become members of our bar, contribute to the bar with annual bar dues, be required to complete continuing legal education classes, and contribute to the pro bono activities within our state.

Respectfully submitted this            day of December, 2006.
