IN THE SUPREME COURT
STATE OF ARIZONA

In the Matter of:

PETITION FOR
AMENDMENTS TO ARIZONA
RULES OF CIVIL
PROCEDURE 11 AND 26

Supreme Court No. R-17-0050

**Petitioner's Supplement to
Petition to Further Amend the
Arizona Rules of Civil Procedure
to Modify Rule 11 and Add Rule
26(b)(2)(D)**

Petitioners filed this Petition to propose changes to Rules 11 and 26, Ariz. R. Civ. P., on October 19, 2017. After further consideration and discussion with practitioners and others in the community, Petitioner Steven Twist finds it prudent to propose additional language in the proposed amendment to Rule 11 for the Court's and potential commenters' consideration.

The additional language, attached hereto in blackline as Appendix

A and in clean version as Appendix B, appears at the end of Rule 11(c)(1), Ariz. R. Civ. P., and provides as follows:

The sanction otherwise required by this rule is not applicable if the party seeks in good faith to vindicate a constitutional right. It is an abuse of discretion to fail to impose an appropriate sanction when the standards of this rule are met.

Petitioner Twist respectfully requests that this proposed supplement and its appendices be included when Petition R-17-0050 is opened for comment by the Court.

RESPECTFULLY SUBMITTED this 9th day of January, 2018.
