Re: Rule Change Petition No. R-08-0012

As a home owner on rented land, I would like you to adopt the proposed Rule change, as it would allow me to have an advocate help me in preparing for a Hearing.

I have been involved as a spectator at numerous Hearings and have been unable to assist The Resident.

I was involved with a Resident who was Hispanic and had no help, except an interpretator

I have been involved with four different Tenants who were facing eviction, and had no help with their case

I was involved in the Hearing regarding Tenants at Quail Run Park who were being charged for trash pick-up when they were away for numerous months

In closing , Please adopt Rule Change Petition No. R-08-0012, to allow our citizens to have the opportunity to have help.

With Regards.
