

The Clerk of the Arizona Supreme Court
Attention: Rules Comment Section
1501 West Washington

My comments pertain to Rule Petition No R-08-0012

I am speaking in favor of the proposed rule change

Our Park and Home Owners were recently involved in a Dispute with Our Park Management. The dispute that was taken to a hearing. The Park Owners were allowed representation, which they could afford but as we individuals could not. It would be very helpful to have an advocate to help us prepare for such a Hearing.

Sincerely,

Charles, Jeanette Albin
