My comments pertain to Rule Petition No. R-08-0012

I am speaking in favor of the proposed rule change.

I was recently involved in helping a neighbor prepare for an administrative hearing regarding a violation of the Landlord Tenant Act for Mobile Home Parks. We had to make preparations without knowing exactly what was going to happen when we got to the hearing.

The owners of the park are allowed several choices of who may represent them in court. We either have to do it ourselves, or hire an attorney. Most individuals in a park cannot afford an attorney to represent them at an administrative hearing. It would be very helpful if we could have an individual who is aware of the preparation required and the hearing process to advocate for us.

Sincerely,

Gary G. Miolla
