Re: Rule Petition No. R-08-0012

Dear Sir:

It is our understanding that the Arizona Supreme Court has been petitioned concerning a rule change to allow a designated person in lieu of an attorney or oneself at hearings before the court.

Our chapter of the Arizona Association of Manufactured Home Owners concurs with this proposed rule change. It would be a great help and an economic benefit to the homeowner members of our organization if this rule change is enacted.

On behalf of our organization this request is respectfully submitted.

Very truly yours,

Kent E. Mahlman
President
