**To Whom It May Concern:**

**Re: Rule Petition No. R-08-0012**

**Please allow this rule to be changed so that homeowners on rented land will enjoy the same benefits as the landowners.**

**At this time, the landowner can represent himself, have a designated person represent him, have an attorney, or have a combination of all three.**

**The homeowner, however, may only represent himself or have an attorney represent him.**

**Please level the playing field so that landowners and home owners will enjoy the same benefits.**

**Thank you for your attention to this.**

**Sincerely,**

  
**Janice Rose**
