The Clerk of the Arizona Supreme Court
Attention: Rules Comment Section
1501 West Washington
Phoenix, Arizona, 85007-3231

This letter is regarding Rule Petition No. R-008-0012
which would allow the tenant to receive a fair hearing.

The tenant, in the past, has had to present their side of
an issue by themselves or with an attorney, whereas the
Landlord was allowed several options. In the past the
hearing did not allow the tenant the same flexibility
offered to the Landlord.

For fairness to everyone, I believe Rule change petition
No. R-08-0012 should be adopted by the court.

Sincerely,

A handwritten signature in cursive script that reads "John R. Howe".
