Re: Rule Petition No. R-08-0012

Dear Arizona Supreme Court Justices:

I have been a resident of Arizona for many years and I am now living in a 55+ Mobile Home Park. I am request that you adopt the proposed rule change related to Administrative Hearings. Living in a mobile home park has many situations arise which could be handled by the resident and save residents living on a fixed income the additional expense of obtaining legal representation.

This would provide residents of Mobile Home Parks in Arizona to have an advocate or a non-lawyer assist them in preparing a Hearing Petition as well as assist them in that hearing.

In the Federal Courts, ie: Social Security Administration and/or Veterans Administration, one has the benefit of an advocate or a non-lawyer to assist them at administrative hearings. In Tax Court, you have the assistance of a Tax Advocate during the administrative process.

The Arizona Courts allow Court Appointed Special Advocate s to assist children in the hearing process. The approval of Petition No. R-08-0012 is a major step toward leveling the field at Administrative Hearings.

Sincerely,
