The Clerk of the Arizona Supreme Court  
Attention: Rules Comment Section  
1501 West Washington  
Phoenix, AZ 85007-3231

Petition NO R-08-0012

Please adopt the proposed rule change that would provide for mobile home park residents to have an advocate or a representative help them prepare a hearing petition and help them in the hearing.

I have had two little older ladies go to hearing without a representative and both lost their case when they were clearly in the legal right, one lost her mobile home, the other lost a \$2000.00 deposit.

Your rule change to No R-08-0012 would correct this injustice.

Thank you for you help in this matter.

Sincerely,

*Nancy Johnson*
